

I  *Terenure* **2030**
Together for Tomorrow

ENERGY PROJECT

Don't
miss out on
JAN 25th at 7pm

If your not in you can't win

Be Part of Something Special

The Community and Traders of Terenure have achieved much under the **I Love Terenure 2030** project. Part of this project is the **Terenure Better Energy Community - BEC**. The Terenure **BEC** has a vision to bring our Energy Bill of **€12 million** down to net **€0** with a combination of reduce (retrofit) and produce (energy through PV / solar biomass etc.) The average energy bill in Terenure is around **€3,500**. When we deliver collectively, if you participate, it would mean very significant reductions in your energy bill and your source of energy would be renewable and sustainable.

We have done so much together as a community, so now please

Join I Love Terenure 2030 Better Energy Community - BEC

Public Meeting **25th Jan. 7.30 - 9.30pm**
Donal McCann Theatre, **Terenure College**, Terenure

Interested in saving **€1000** on your home energy cost per year?
or thousands on your Business Energy spend?

Be part of the Terenure grant application for 2017*

Why sign up:

The **ILT 2030 Better Energy Project** has completed over **€1 million** of energy savings (PV and Retrofit) for 27 homes, businesses and schools in 2016. Come along on **25th January** – learn how can you be part of our 2017 BEC grant application.

See case studies of those who been part of the 2016 roll out and learn some practical steps.

DON'T MISS OUT FOR NEXT YEAR'S GRANT MONEY!
